REMEMBER – WE HAVE MOVED – SEE OUR NEW ADDRESS ABOVE

January 15, 2021

Dear Friends,

Enclosed is the 2020 tax organizer to help you gather your tax information as well as determine if any new or existing tax laws require further research for your benefit. As you are aware, this has been an unprecedented year. There are many new items we will need to consider for your personal or business tax returns which involves more work done behind the scenes that benefits accurate filing. We expect to have to spend more time on your returns this year due to both federal and state changes. This will result in fee increases greater than normal. We will do our best to manage this as efficiently as possible. You can help by completing this organizer, which is an important step on your part in helping us manage our time spent and remain accurate in order to minimize your taxes.

Completion of the enclosed organizer is mandatory. If we receive your tax documents without this required organizer completed in full, we reserve the right to not begin preparation of your return until an organizer is returned to us. Without your thoughtful assistance to the following questions, your tax return may contain errors when prepared and submitted as well as take longer to prepare.

Due to extreme workload compression during the tax season, we ask that you deliver all tax documents to our office no later than March 15, 2021. Returns delivered to our office after this deadline will likely require an extension.

As soon as all of your tax information is gathered, you can simply drop your packet of information to our office at your convenience. If you need to meet and discuss any items about your tax return information, an appointment must be scheduled. Without an appointment, we will not be available to sit and discuss your tax organizer questions. Drop in meetings without an appointment are difficult for us to manage time for, even if for just a few minutes, so please plan accordingly so we can meet your needs.

If you do not need an appointment, you can drop off the organizer and all supporting tax records during our normal business hours Monday through Friday from 8am - 5pm. We will not begin preparing your tax return until all information is made available to us, so please make your submission as complete as possible. We will call you if we have questions or when the return is ready for pick up and filing.

Finally, on the next page of this organizer is our Tax Engagement Letter confirming what you are engaging us to perform. The confirmation must be signed before we prepare your taxes.

Best regards,

Dan Grieb

General Engagement Letter for Tax Return Preparation

Dear client,

Thank you for the privilege of allowing us to provide you with tax preparation services. This engagement letter expresses the terms and conditions under which we will provide you with tax services, and it outlines responsibilities for each of us.

Tax Preparation:

- We will prepare your federal and state tax filings (tax return) with supporting schedules for the 2020 tax year based on information you provide us.
- You will provide any requested records needed in order to complete the tax return preparation. Original records will be returned to you upon completion of the tax return.
- You will provide all information to us no less than 30 days prior to the expected delivery date of the tax return. We will extend the due date of your tax return if they are not done by the filing deadline. An extension does not extend the time to pay, only the time to file. If you owe, you will need to pay in with an extension. An extension is good for 6 months.
- We will not audit or otherwise verify your records to discover errors or omissions, should any exist. However, if we find irregularities or unusual items, we will bring them to your attention and/or ask for clarification.
- We will provide bookkeeping assistance necessary to complete the tax preparation. This will be billed as a separate but additional charge to the tax preparation fee.
- You attest that income and expense items you claim are substantiated by proper records and receipts, and can furnish such documentation in the event of an audit.
- You attest that the information you provide is accurate and complete to the best of your knowledge.
- You are ultimately responsible for the accuracy of the tax return and should review all documents carefully before signing.

Fees & Payment:

- All preparation fees are invoiced per tax return per tax year.
- All bookkeeping or other services will be invoiced with this tax return
- Our fees are based on the complexity of your tax return, time spent as well as out-of-pocket expenses.
- We reserve the right to ask for a retainer to be paid in advance of work done from new clients and any client with whom we have experienced late payment problems.
- If you terminate this engagement before completion, you agree to pay for time and expenses incurred prior to the date of termination, even if the tax return is not completed.
- In the event the client has any past due balances, we reserve the right to cease working on your tax return or providing any other services until the balance has been paid in full or other acceptable payment arrangements have been made.
- Past due balances of more than 30 days are subject to 18% annual interest.

Important Notices:

- Where tax law is ambiguous or unclear, we will use our best judgement. Unless otherwise instructed by you, we will resolve such questions, when possible, in your favor.
- Penalties can be imposed when taxpayers understate their tax liability. If you would like information on these penalties, please contact us. Consider making estimated payments in year 2021 if this is a concern.

- If an extension of time is required, any estimated taxes owed must be paid when the extension is filed. Any amounts not paid by the filing deadline are subject to interest and late payment penalties. These are your responsibility.
- The IRS does not permit us to discuss your tax return except if authorized by the client by checking a specific box on your tax return. Unless otherwise instructed by you, we will not check the box which authorizes the IRS to discuss your tax return with us.
- Your tax return may be selected for audit or for additional explanation requested by tax authorities. We are available to represent you or prepare materials in response to correspondence. However, these are additional expenses not included in our tax preparation fees and we will render additional invoices for the time and expenses incurred.
- One printed return copy will be provided to you for your files. Copies at any other time are \$25 minimum each. This fee applies to digital as well as paper copies for the time and effort involved in providing this service.
- If you require us to release a copy of your tax return(s) to a 3rd party (e.g. mortgage lender) we will require your permission in writing or via email. Postage and copy fees stated above will be invoiced for this effort (\$25 minimum).

Please sign this letter and return it to use with this completed organizer.

Very truly yours,

Dan Grieb, CPA

Nebraska Filers Itemized Deduction Notice:

With the changes made in the US Tax Code the Nebraska Legislature passed LB1090 that requires Nebraska taxpayers to use the Standard Deduction if they also used it on the Federal return.

If you provide us with your itemized deductions and your totals are close to the federal standard deduction, we will test to see which method produces the least amount of tax liability to your personal return.

Iowa Filer Notice:

Iowa continues to NOT conform to federal tax law changes. Therefore, we can still choose to itemize on the Iowa return even if we took the standard deduction on the federal return.

Other State Notices:

If you do not live in Nebraska, we will need to read about all of the specific changes made to your particular state. This takes time as every state conforms differently to any federal rule change. Because of this, non-Nebraska filers will incur a higher fee for the preparation of their tax return.

IMPORTANT – IF THIS FORM IS NOT COMPLETED, REGARDLESS OF YOUR PRIOR YEAR FILINGS, WE WILL E-FILE YOUR RETURNS AND YOU WILL RECEIVE PAPER CHECKS FOR ANY REFUNDS DUE.
We will not call you to verify how to send refunds. Complete this form to elect an option.

E-FILE NOTIFICATION

E-filing is MANDATORY. Both the IRS and the state have made the e-file process mandatory. All returns from our office will now be e-filed. Please provide the following information:

If a checking account is to be used, either include a **VOIDED** check from your account or the following information:

Name of Bank _____

Bank RTN _____

Note: DO NOT USE DEPOSIT SLIP INFO. These are often incomplete. Use only the information on your checks.

While E-File is mandatory, you may still elect to receive a paper check from the federal or state agency instead of a direct deposit. To receive a paper check refund instead of a direct deposit, please initial here: _____.

IMPORTANT:

If you owe taxes, we will still e-file your return. We will then provide you vouchers for paying your taxes via check no later than the due date. We will NOT initiate a tax payment on your behalf from your checking account for the payment of any tax at any time. However, you can create a profile at both the federal and state level to make any tax payments electronically if you prefer. The website for the federal and Nebraska sites are:

Federal – go to **irs.gov**
